The Service Guild of Birmingham held its first Annual Lowcountry Crawfish and Shrimp Boil on May 15, 2010 at the lovely Mountain Brook home of Suzanne and Jeff Gurosky. The event was held in appreciation of the past year of service the members have given. The Service Guild is a service organization dedicated to maximizing the potential of children, from birth to three years of age at risk for development delay, through the

professional services of The Bell Center for Early Intervention Programs. The members have collectively contributed over 4,200 hours in the classroom this year working individually with the children enrolled in the programs of The Bell Center.

To begin the evening, guests and their spouses enjoyed a variety of Cajun appetizers courtesy of Cajun Steamer. The main event of boiled crawfish and shrimp, courtesy of Mark Hartman and Chris Tullos of Baton Rouge, were served poolside along with beverages. To cap off the dinner, Pastry Arts Bake Shoppe of Homewood provided their infamous baby bites cakes. Musical entertainment was provided by James Resha.
